### **Request for Fellowship Proposal – September 2014**

MFY Legal Services, Inc. (MFY) is seeking to sponsor a fellowship proposal that would help us respond to the unmet legal needs of low-income New Yorkers. Potential projects could focus on enhancing our economic justice work or protecting the rights of people who are aging or have disabilities.

MFY envisions a society in which no one is denied justice because he or she cannot afford an attorney. To make this vision a reality, for 50 years MFY has provided free legal assistance to residents of New York City on a wide range of civil legal issues, prioritizing services to vulnerable and under-served populations, while simultaneously working to end the root causes of inequities through impact litigation, law reform and policy advocacy.
