

MFY Legal Services, Inc. provides free legal assistance to residents of Community Board 2 who are experiencing problems in maintaining their affordable housing. MFY provides advice, counsel and representation to individual tenants and provides training and technical assistance to tenant organizations to preserve affordable housing and prevent harassment in Community Board 2.

On March 6, MFY Legal Services will be conducting a training for tenants living within Community Board 2. Participants will be given an overview of housing law and have the opportunity to ask questions about their rights as tenants. Please join us. No registration is required.
